---> Single Tier Vented Lockers

71162
Vented Locker - Single Tier - 1 Wide - 6 Feet High - 12 Inches Deep
Constructed of 14 gauge steel, single tier vented lockers effectively combine visibility and maximum airflow with security. These durable lockers are available in a GRAY FINISH or TAN FINISH. Ideal for dressing rooms, locker rooms and athletic clubs, single tier vented lockers can be delivered UNASSEMBLED or ASSEMBLED.
71000 series single tier vented lockers are 12" wide, have an overall height of six (6) feet (add 6" for legs) and are available in 12" and 18" depths. Single tier vented lockers feature a steel recessed handle with a finger lift control and can accommodate a built-in combination or key lock or a padlock. Built-in locks (#77710 for combination and #77715 for key), padlocks (#77720 for combination and #77725 for key), end bases, front bases and sloping hoods are available as options upon request (see related items). All single tier vented lockers feature an adjustable hat shelf, three (3) single wall hooks and one double ceiling hook. The 18" deep lockers also include a coat rod that can accommodate garments.
